

Bodega On Main™ Brings A Taste Of Spain Closer To Home With Bodega Foods™
Add A Welcome Mix Of Flavour To Your Summer Slate Of Go-To Grilling Recipes And More!

FOR IMMEDIATE RELEASE - Vancouver, BC – June 7th, 2017 – With a decades-long culinary legacy entrenched in Spanish cuisine here in Vancouver, [Bodega On Main](#) owners, Natalie and Paul Rivas are proud to announce the launch of their new line-up of [Bodega Foods™](#) products inspired by their Mediterranean roots and passion for the diverse flavours found in signature dishes at their popular Main Street restaurant.

[Bodega on Main](#), itself, a testament to the Rivas family's longstanding connection to Vancouver's diverse culinary scene – helped serve as inspiration behind the development of Bodega Foods™ duo of **Brava** and **Romesco Sauce** as well as **Piquillo Relish** inspired by their own homemade recipes.

With a penchant for creating exquisitely simple, yet complex dishes packed with rich flavours, the Rivas' sought to pay homage to familial tradition through the development of these recipes – making them for Bodega fans and customers to experience anytime at home.

“When working to perfect our recipes for both sauces and the Piquillo relish, I was really focused on bringing a sense of Spain's great culinary traditions to the table for everyone to enjoy with a variety of foods. I wanted to offer people a variety of ways to use our products with sauces that work as marinades to accompany a feast but also as a simple addition to everyday favourites or an unexpected topping for casual no-fuss summertime fare such as burgers.” – Paul Rivas

In true Spanish fashion, smoky paprika and fresh garlic serve as prominent ingredients in Bodega Foods™ favorites such as their zesty signature Brava Sauce, savoury Romesco Sauce and tangy sweet Piquillo Relish. For the Rivas family, staying true to their roots means creating small batch, healthful (GMO-free) products, without additives; thus preserving the integrity of the country's most complex and comforting flavours.

Painstakingly developed through careful trial these premium sauces and relish (*priced from \$5.99-\$7.99*) work with a variety of grilled, stewed or braised meats, as a marinade, condiment, addition to dressing or served as a side dip.

Bodega Foods™ trio of beautifully packaged products represent everything to celebrate about Spanish cooking and are guaranteed to be crowd pleasers (*and make a thoughtful gift for the culinary queen, grill king, or fan of Bodega*). Currently available for sale directly at the restaurant (1014 Main Street), the products will also be available at the [Eastside Flea Market](#) June 17-18th.
